

ADITYA GADALE

Java Full Stack Developer

Baramati, Maharashtra | +91 8237736779 | adityagadale2004@gmail.com

LinkedIn: [linkedin.com/in/aditya-gadale-a6b050318](https://www.linkedin.com/in/aditya-gadale-a6b050318) | GitHub: github.com/aditya-gadale-developer

PROFESSIONAL SUMMARY

Java Full Stack Developer (2026 Graduate) with expertise in Java, JDBC, SQL, MySQL, HTML5, CSS3, JavaScript, React.js, and RESTful APIs. Skilled in developing web applications using MVC architecture, CRUD operations, and database integration. Proficient in Git, GitHub, Postman, and SDLC, with a passion for building scalable and maintainable software solutions.

TECHNICAL SKILLS

Programming Languages: Java, Python

Frontend Technologies: HTML5, CSS3, JavaScript (ES6), React.js (Basics), Responsive Web Design

Backend Technologies: JDBC, RESTful APIs, Django (Basics)

Databases: SQL, MySQL (CRUD Operations, Joins, Constraints)

Core Concepts: Object-Oriented Programming (OOP), Client-Server Architecture, MVC Architecture, RESTful APIs, Software Development Life Cycle (SDLC)

Tools & Platforms: VS Code, Git, GitHub, Postman

INTERNSHIP EXPERIENCE

Intern | Microcare Computer Systems | Dec 2024 – Feb 2025

- Completed a 6-week industry training and internship program.
- Performed data preprocessing and analysis using Python through practical assignments.

PROJECTS

Online Complaint Management System | Jan 2026 – Apr 2026 | Django, Firebase Authentication, REST APIs, MVC

- Developed a backend-driven web application using Django and Firebase Authentication for secure user management.
- Implemented MVC architecture and RESTful APIs to support scalable, modular application design.
- Built role-based access control (RBAC) and ORM-based database design to manage complaint records and user permissions.

Parking Management System | Oct 2025 – Dec 2025 | Java, JDBC, MySQL, OOP, MVC

- Developed a Java desktop application using OOP and MVC architecture.
- Integrated JDBC with MySQL to manage vehicle records, parking slot allocation, and billing operations through CRUD operations.

EDUCATION

B.E. in Information Technology — Shivnagar Vidyaprasarak Mandal's College of Engineering, Baramati | Final Year SGPA: 9.32

HSC — Tuljaram Chaturchand College, Baramati | 60% | 2022

SSC — Chhatrapati Shivaji High School, Vaduj | 85.4% | 2020

ACHIEVEMENTS

- Participant, Inter-University Research Project Competition (AVISHKAR 2025).
- Participant, National Level Project Competition (CRETECHNOVA 2K26).
- Secured a SGPA of **9.32** in B.E. Information Technology
